

“Through completing the Early Learning & Care course, I feel more confident in my ability to provide quality care to children, communicate effectively with parents, and understand the developmental needs of children. I am now prepared for career opportunities in a variety of childcare settings, including daycare centres, schools, hospitals, and community organisations.”

“The support received from tutors in every module was excellent. They were behind us 100%. The modules covered supported areas that a supervisor would cover. I am currently office based within my organisation, organising rotas and assisting with care plans, which has become a lot easier with the knowledge gained from the course. In September I will be starting a social care degree with ATU and thanks to this course doing assignments doesn't seem as daunting, it has prepared me for what lies ahead.”

“Recently I received my nursing degree from Trinity College. I am immensely grateful for the foundational knowledge and support your institution provided, enabling me to achieve my dream of becoming a nurse.”

“The staff at SLIGOCFET - Tubbercurry Campus have all been very supportive and helpful to me throughout my studies. The fact that even though my English isn't as good as I'd like it to be I have had the opportunity to study clear and concise reading material for each of the modules coupled with clear explanations from teachers.”

## ERASMUS+ Erasmus+

ERASMUS+ is an EU Programme for education. We have recently achieved Accreditation status, as we have demonstrated a long-term commitment to providing quality-assured mobilities for our students.

Students participating in the project are given the opportunity to gain European work placement. To date, students from the College have travelled to Vienna, Barcelona and Málaga. The project covers students travel, accommodation and expenses for the duration of their placement. This once in a

lifetime opportunity allows students from SLIGOCFET - Tubbercurry Campus to develop their skills and knowledge, and experience life and work in another culture!

## LEARNER SUPPORT SERVICES

### ACADEMIC SUPPORT

SLIGOCFET - Tubbercurry Campus provides course and assessment support for all our learners. Students are assisted with assignment structure and content. We offer both group guidance and also one to one meetings to explore your particular interests and needs.

### FINANCIAL SUPPORT

The College provides information on entitlements to financial support while studying at SLIGOCFET - Tubbercurry Campus. Such supports include student grants (SUSI), Vocational Training Opportunities Scheme (VTOS), Back To Education Allowance (BTEA).

### GUIDANCE & PERSONAL SUPPORT

Our Guidance Counsellor supports students on making informed educational career and life choices. Our Core Care Team acts as a link between staff and students. It provides a sharing of experiences for staff in dealing with concerns which arise for the learner and how best to support each other. The Student Council is another 'voice' within SLIGOCFET - Tubbercurry Campus.

“ It's the friendships I have made with my colleagues that are the greatest highlight for me. We are a small group of students varying in age, yet we have jelled together in the most solid way you can imagine. We are always there for each other, and I must admit not sharing my day with them when I finish will be the part of this course, I will miss the most. ”
